

Inclement Weather Policy 2017-2018

SJES follows the Fauquier County Public School system’s inclement weather policy on the first two days of a weather event. Unless otherwise notified by SJES, all staff should follow that policy (FCPS closings and delays announced via local media and on its website, <http://www.fcps1.org>.) If Fauquier County Schools have missed excessive days due to weather and SJES feels it is safe to reopen, we will contact staff and parents to alert them that our School will be open; however, the decision is ultimately up to the discretion of the parents.

Please follow the Inclement Weather Chart if there are delays in the School’s opening:

One Hour Delay—SJES will open one hour late. Please refer to chart below.

Two Hour Delay- SJES will open two hours late. Please refer to chart below.

Elementary classes will dismiss at the usual time.
