

2017 SJES Elementary Summer Camp

Overview

While creating fun, exciting and adventurous experiences for children, the mission of the Saint James' Episcopal School Summer Camp program is to provide opportunities where children can also discover and learn. Our elementary program is designed for rising first through sixth graders, ages 6-11. Please see more information on the camp schedule and note there are age-specific camps.

Registration Procedures and Requirements

Complete the accompanied enrollment form and return to the School with your payment. Make checks payable to SJES.

*Saint James' Episcopal School

As soon as your registration is processed, you will receive an email confirmation. Registrations are taken on a first come first serve basis. All registrations must be completed 7 days prior to a camp start date. Otherwise, you will need to contact Karen Anderson, the SJES Camp Coordinator at summercamp@saintjamesepiscopalschool.org to confirm space or call the School Office prior to completing your registration at 540-347-3855.

All SJES camps have enrollment requirements. There is a minimum enrollment needed for each camp and this requirement needs to be met within 7 days prior to the camp. If the minimum enrollment has not been met, SJES will notify you of the camp cancellation and all monies will be reimbursed. If your registration is received after a camp has been filled, you will be notified and your child can be placed on a wait list.

Camp Details

Campers need to bring a snack and water bottle each day. SJES is a peanut and tree-nut sensitive campus. We ask all campers to please refrain from bringing food containing nuts or food that is processed in facilities that may contain or are exposed to nuts.

All allergy and food restrictions need to be noted in the space provided on the registration form and will be addressed in detail after the registration process is complete.

SJES Summer Camps are taught by faculty members as well as staff from partnering organizations. SJES has first aid certified staff on campus during all camp hours and will assist the organizations hosting camps at our facility.

Before Camp and After Camp Care

We are pleased to offer an extended day program for campers. All camp ages are welcome. Before and After Camp Care at SJES is one program for both preschool and elementary students. Before Camp Care hours are 8AM – 9AM. After Camp Care hours are 12PM – 1:30PM. Students in the After Care program need to bring a bagged lunch.

You may sign up for Before and/or After Camp Care for the weekly rate on the camp registration form. You may also choose a drop-in option. The drop-in rate is \$8 and is on a space available basis only. All drop in students for Before or After Camp care need confirmation through the SJES Camp Coordinator 7 days prior to the camp.
