

2017 SJES Preschool Summer Camp

Overview

While creating fun, exciting and adventurous experiences for children, the mission of the Saint James' Episcopal School Summer Camp program is to provide opportunities where children can also discover and learn. Our preschool program is designed for rising preschool and kindergarten children, ages 3 - 5. **All children attending must be potty-trained and able to use the restroom facilities independently.**

Registration Procedures and Requirements

Complete the accompanied enrollment form and return to the School with your payment. Make checks payable to SJES.

Camp Details

Campers need to bring a snack and water bottle each day. SJES is a peanut and tree-nut sensitive campus. We ask all campers to please refrain from bringing food containing nuts or food that is processed in facilities that may contain or are exposed to nuts.

All allergy and food restrictions need to be noted in the space provided on the registration form and will be addressed in detail after the registration process is complete.

SJES Summer Camps are taught by faculty members as well as staff from partnering organizations. SJES has first aid certified staff on campus during all camp hours and will assist the organizations hosting camps at our facility.

Before Camp and After Camp Care

We are pleased to offer an extended day program for campers. All camp ages are welcome. Before and After Camp Care at SJES is one program for both preschool and elementary students. Before Camp Care hours are 8AM – 9AM. After Camp Care hours are 12PM – 1:30PM. Students in the After Care program need to bring a bagged lunch.
